IMPORTANT NOTICE

As all of us are aware, we are in the midst of an unprecedented situation due to the COVID-19 virus and closure of educational Institutions. In this context, we have involved our teachers in taking some initiative to reach out to our dear children through some supplementary learning materials hosted in our website, the subjects being English and Mathematics. The self-learning materials are conceptual in nature relevant to the class standard and is not based on textbooks. We request our guardians to enable our children use the materials as best as they can. Such materials would be uploaded periodically. We hope that all of us would be safe and that we would overcome this crisis soon.

Wishing our children and guardians all the very best!

Principal
